

## July 2022 Youth Director Report

Two youth members attended the Boundless Synod event at Nawakwa from July 24-27. There we spent time learning and growing in God's Boundless love for us. Along with discussions and free time, we spent a day at Wittle Farm in Elizabethtown supporting their growing/farming ministry in Lancaster County. We harvested veggies and planted a field with beans and squash.

The only financial update was a check written to me for mileage. I've handed over all financial documents and log in information to the Pastors.

Respectfully,

Stephanie Alsvan
