### December 2021 Council Report

December 3-4: We started the month with a holiday themed lock-in for our high school youth members. It was a fun-filled, but also relaxing, night of delicious food, games on the X-Box brought by a youth member, movies on the TV, and lots of games and social time. It was so great to be together for an extended time to play and relax!!

Our final gathering of 2021 was Sunday December 19. Our time together brought us some relaxation in our lounge space and a Bible discussion on New Year's Resolutions and how we are going to go into the New Year focusing on our relationship with Christ and with our Youth Group relationships.

### Upcoming Events:

January 7-9 Winterfest in Lancaster  
January 23: Gathering in the Lounge  
January 31: Snow Tubing in York

Respectfully,

Stephanie Alsvan  
Youth Director
